Chamber Elects New Board Members

It is my privilege to introduce an outstanding slate of new Board members who have not only volunteered their time and talents but have undergone a rigorous selection process by our Leadership Development Committee. Their leadership qualities and devotion to the betterment of our community have been recognized and we look forward to their collective governance of the Chamber's affairs as we progress into the future. My thanks are extended to

Ray Shotwell and the Leadership Development Committee for the excellence of their nominees. To the retiring Board members, please accept my heartfelt thanks for all you have contributed toward the mission of our Chamber.

Aldine Improvement District Hosts Dedication

The Aldine Improvement District, Harris County Sheriff's Department and Aldine Communities Together, recently hosted a Storefront dedication/ribbon cutting ceremony at their shared space at the Aldine Storefront located at 5202 Aldine Mail Route.

Keynote speaker State Representative Kevin Bailey spoke about the history of the area, the Aldine Improvement District and the storefront.

State Senator Mario Gallegos spoke of four major projects Aldine Improvement District has undertaken that have brought significant improvements to safety and quality of life for residents and area businesses. These projects include installing sidewalks and streetlights, increasing police patrols and wanting to bring city water and sewage service to the community.

North Houston Greenspoint Chamber of Commerce representatives then joined the three organizations for the official ribbon cutting ceremony.

The Chamber is proud to be a partner with the district who is bringing about such economic development and quality of life improvements to the area.

Chamber Offers New Opportunity to Promote Your Business

The North Houston Greenspoint Chamber of Commerce Board of Directors recently implemented a new program available to all Chamber members — **the 110% Club**.

The 110% Club is completely voluntary, is extremely easy to join and gives your company immense recognition. Benefits for 110% Club membership include:

- 1 A page on PowerPoint Presentation shown at every breakfast and luncheon, similar to new and renewing members.
- 2 Introduced as a group to be recognized at luncheons & breakfasts.
- 3 A framed listing of 110%'ers in the Chamber lobby.

- 4 Special nametags at events.
- 5 Special listing in the Pacesetter.
- 6 Full database e-mail sent once per month acknowledging and thanking all 110% Club members.

So how do you join the 110% Club? It's easy. When you receive your annual membership invoice, just add an extra 10% to your membership dues payment amount. It's that simple! Example: If your annual dues are \$250 and you join the Club, add an extra 10% or \$25, making your amount due \$275.

If you don't want to wait until your renewal date to join this elite group, simply send in a check for 10% of your last dues payment indicating it is for the 110% Club. We will add you immediately.

This is a great cost effective way to show your continued support to the Chamber and community. We look forward to seeing your name on the list!

110% Club members to date are Ajilon Finance; Ameritrust Title Company; Assist the Officer; Boring Specialties, Inc.; Greater Greenspoint District and IBC Innovative Business Consultants, Inc.; and Spherion Staffing Group. Thanks for your support of the Chamber and the work we do!

Mayor White Speaks at 20th Annual Law Expo

Personnel from law enforcement agencies and other public safety participants joined Mayor Bill White Saturday, Sept. 18, at the 20th Annual Law Expo held at Greenspoint Mall from 10 a.m. to 3 p.m. The Chamber, Greenspoint Mall, Harris County Sheriff's Office, and the Houston Police Department partner each year to support, organize, and host this annual outreach event, providing the local community with valuable information regarding law enforcement services and resources used to protect property and lives.

Following a Color Guard March performed by both city and county law enforcement personnel, Stan Alexander, Chairman of the Chamber's Public Safety & Emergency Preparedness Committee, presided over the opening ceremonies, during which Mayor Bill White addressed attendees and presented a Proclamation to Greenspoint Mall.

"The North Houston Greenspoint Chamber of Commerce hosts this event to provide an opportunity for the public to meet law enforcements experts, and to see first hand the tools they use to keep our community safe," stated Chamber President Marilyn Bayless. "This is a wonderful event for our community as it is an opportunity for parents to provide their children with a positive encounter with the law enforcement community, to show what a good friend and neighbor a law enforcement officer can be."

This year's event featured child car seat inspections, a Bicycle Rodeo with bicycle and helmet checks, fingerprinting,

an appearance by Gizmo the Robot, mounted police, the airport police bomb squad, members of the Ponderosa Fire Department and officers with the Drug Enforcement Administration.

Officers conducting the child car seat inspection educated parents on proper installation, checked the seat components and screened the unit for safety recalls. Thanks to the screening sponsors Elvin Franklin State Farm Insurance and Safe Kids Greater Houston, many attendees

with unsafe safety seats were provided with new ones.

During the Bike Rodeo, police officers and sheriff's deputies inspected the children's bicycles and helmets, educated the youngsters on laws and safety, and tested their bicycle knowledge. Officers also tested the young cyclists using an obstacle course complete with a Stop sign, Yield sign, One-Way instructions and other common road scenarios. Once completed, the "drivers" received a graduation certificate and a bicycle license. New helmets were provided for those who did not have a helmet or had a helmet that did not fit properly. The Bicycle Rodeo was sponsored by Greater Greenspoint District.

Many thanks to all the companies who sponsored and donated to this event. Extra thanks to all our volunteers who spent a Saturday helping out. As always, you are immensely appreciated.
